# IT'S A WONDERFUL CAREER

WRITTEN BY BRENT PERDUE

## ABOUT IT'S A WONDERFUL CAREER

All Brent ever wanted was to pen sci-fi novels, craft cinematic masterpieces, and travel the world in search of amazing and inspiring stories. In the meantime, he landed in the realm of total rewards - pensions, benefits, compensation and wellness. A stranger in a strange land, a fish out of water, a farm kid in shiny shoes, Brent began to resent how this consuming career kept him from his dream of becoming a novelist and screenwriter. Until the day he realized . . . it's a wonderful career!
